PROFESSIONAL SUMMARY

M.Sc. Computer Science student with hands-on experience in Core Java, OOP, JDBC, SQL, PostgreSQL, HTML, CSS, and JavaScript. Skilled in developing desktop and web-based applications with seamless database integration. Currently building a Smart Complaint Management System using Java web technologies and strengthening expertise in Servlets, Spring Boot, and Hibernate.

TECHNICAL SKILLS

Programming Languages	Java, C++, C, JavaScript, SQL
Java & Web Technologies	Core Java, OOP, JDBC, Servlets, Swing, AWT, HTML5, CSS3, JavaScript
Frameworks & ORM	Spring Framework, Spring Boot, Hibernate
Databases & Tools	PostgreSQL, SQL, Git, GitHub, Eclipse IDE, Apache Tomcat
Core Concepts	Exception Handling, Collections Framework, Multithreading, DBMS Architecture

PROJECTS

Smart Complaint Management System `Java Servlets` `JDBC` `PostgreSQL` `Web` — Present

- Developing a full-stack web application for automated complaint registration, tracking, and workflow management.
- Designing automatic complaint priority detection and intelligent department-based routing modules.
- Implementing keyword/NLP-based text analysis to recognize patterns and auto-categorize complaints.
- Building responsive UI with HTML/CSS/JavaScript and back-end connectivity using Servlets & PostgreSQL.

Clinic Management System `Java Swing` `JDBC` `PostgreSQL`

- Engineered a desktop application for clinic administration featuring patient, doctor, and appointment CRUD operations.
- Designed relational database schemas with foreign-key constraints and integrated JDBC drivers for data persistence.

Java Swing User Management System `Java` `Swing` `PostgreSQL`

- Created a multi-screen user management desktop app supporting registration, secure authentication, and dashboards.

ATM Simulation System & Web Calculator `Core Java` `JavaScript`

- Developed an ATM simulator in Java using OOP principles for balance checks, deposits, and withdrawal logging.
- Created an interactive, responsive web calculator with HTML, CSS, and event-driven JavaScript logic.

EDUCATION

M.Sc. in Computer Science — Savitribai Phule Pune University — **2025 – Present | Pune**

B.Sc. in Computer Science — R. B. Narayanrao Borawake College — **2022 – 2025 | 73%**

CAREER OBJECTIVE

Seeking an entry-level Java Backend / Java Full Stack Developer opportunity to leverage solid Java, database, and web development skills while contributing to enterprise applications and gaining hands-on industry experience.
